

Cathedral of Fresh Fire, Inc., Wilmington

Organized by Saint Francis Healthcare.

5-7 p.m. Tuesday, July 21, at Cathedral of Fresh Fire, Inc., 2300 Northeast Blvd., Wilmington.

Testing includes taking your temperature, a vital signs check, including heart rate and pulse, COVID-19 swab test, and questions about symptoms and exposure to someone who is confirmed with COVID-19 – all to determine your risk. Symptoms include: cough, shortness of breath, fever/chills, persistent headaches, sore throat, nausea or diarrhea, global body aches, new loss of changes in sense of smell or taste
